5 Policies & Procedures

Procedures for active violence situations are detailed.

5.1 Active Violence is Occurring

If you ever find yourself in an active situation, remember “**Run, Hide, Fight!**”.

1. Run!
 - 1.1 Get away from the threat, leave your belongings behind.
 - 1.2 Save yourself, help others if possible.
 - 1.3 Call 911 when safe.

- 1.4 Do **NOT** congregate.
2. Hide!
 - 2.1 If evacuation is not possible, find a place where the active shooter is less likely to find you.
 - 2.2 Within the building, find a room you can lock and barricade yourself inside using any equipment or furniture items.
 - 2.3 Silence your cell phone and remain quiet.
 - 2.4 Call 911 to alert authorities to the situation and possibly to the active shooter's location.
3. Fight!
 - 3.1 As a last resort and only if your life is in immediate danger.
 - 3.2 Disrupt or incapacitate the active shooter by acting as aggressively as you can.
 - 3.3 Use any item as a makeshift weapon.
 - 3.4 If you are with others, work together to stop the threat.
 - 3.5 Whatever you do, commit to your actions.

5.2 Police Response to Active Violence Situations

Be aware: the number one priority for police is to stop the threat quickly. Therefore, police may:

1. Arrive in variable attire such as plain clothes or uniforms from other agencies.
2. Be carrying weapons including rifles.
3. Shout commands such as "put your hands up".
4. Move past injured persons to locate and stop the active threat.

Always comply with police instruction.

5.3 No Guns Policy

1. It is a University firearm policy that weapons are not allowed on Notre Dame property.
2. If you see someone carrying a firearm, contact the Notre Dame Police Department (NDPD) at (574) 631-5555. NDPD will respond because it is a University firearm policy that is being violated, not a criminal response.

3. Let the person know weapons are not allowed on Notre Dame property.
4. Call 911 if anything seems suspicious - don't worry if you should be calling NDPD or South Bend police, just call 911 and get help.
